

FREE 1 day Machine Safety Training

with your first CLIC safety light curtain order!

In order to take advantage of your free 1 day machine safety training when purchasing your CLIC safety light curtain, please present this E-Coupon and details of who would like to attend the training.

The training session is designed to introduce engineers to the Machinery Directive and current Safety Standards. The training relating specifically to the Machinery Directive (2006/42/EC) will be conducted by an independent expert.

Terms & Conditions of offer:

- This offer is available to customers in the UK and Ireland purchasing a Safety light curtain from the Omron CLIC range for the first time.
- To apply for the free training day please present your E-coupon when placing your order directly with Omron or through a registered agent.
- Only one attendee per purchase, unless otherwise agreed.
- The offer is available on purchases up to 30th September 2010.
- The location of the training will be at Omron's Milton Keynes head office, subject to change.
- The training day will take place between the 1st October to the 15th October 2010 dependant on customer availability and demand.
